

We know getting prepared to go back to school at the end of the summer can be difficult for some families, especially if they are living paycheck to paycheck. We want to partner with you to help give your kids the chance to start the new school year off in the best way possible. We would love for your family to join us on **Saturday, July 22** for a special day where you will receive backpacks and school supplies for your children so they can have a great start to the upcoming school year! On this day you will also be able to see what other community resources are available in your area and participate in fun games/activities. If you are a family in need of this resource, we are here to help!

The supplies at this event are only for children entering Pre-K through 12th Grade for the 2023/24 school year. There are 3 locations to choose from (Canton, Woodstock, and Jasper), so make sure to sign up for the one closest to you.

Attendance is required for Give A Kid A Chance and we will only distribute backpacks and supplies on Saturday, July 22 during the event. Families who are available to attend must register by May 31! We encourage you to register as soon as possible, as this event often reaches capacity prior to the deadline.

Registration is required and will close on May 31 or once registration is full.
