What is the organization's primary exempt purpose?

Sugar Grove P I E (P I E stands for Partners Involved in Education.) serves the learning community in ways other than just fundraising by maximizing parent involvement while creating a positive learning community. Our mission is to:

1. Give students more opportunities to be successful learners and citizens through the programs P.I.E. supports.
2. Support the curriculum/instruction/assessment practices by becoming knowledgeable and active learners
3. Assess P.I.E.'s work with the school's guiding principles and make smart, meaningful decisions about additional activities or changes we should make.

Sugar Grove P.I.E. group is a true partnership whose purpose is to foster the education of our children in a in a safe and caring environment, through constant support, communication and understanding between the home and school. This mission is accomplished by organizing and providing enriching activities for our

Sugar Grove families, raising funds to support school events and curricular programs and providing support to the Sugar Grove staff.
