**DUTIES OF THE EXTERNAL INDEPENDENT AUDITOR**

---

As required by law, the District shall obtain an annual audit of its records by an independent certified public accountant or an independent public accountant. The report of such annual audit shall be presented to the Board of Education by such accountant.

The District shall, within ninety (90) days of the receipt of such report or letter, prepare a corrective action plan in response to any findings contained in the annual external audit report or management letter, or any final audit report issued by the state comptroller. This corrective action plan shall be presented to the Board for review. To the extent practicable, implementation of such corrective action plan shall begin no later than the end of the next fiscal year.

The District shall use a competitive request for proposals (RFP) process when contracting for such annual audit. In addition, pursuant to law, no audit engagement shall be for a term longer than five (5) consecutive years; provided, however, that the District, in its discretion, may permit an independent certified public accountant or an independent public accountant engaged under an existing contract for such services to submit a proposal in response to an RFP or to be awarded a contract to provide such services under a RFP process.
