NOTIFICATION OF RELEASE OF SEX OFFENDERS

The Board of Education desires to establish a Policy for response by School District Personnel in cases where the District receives notification from the New York State Division of Parole (“Division”) or the Department of Criminal Justice Services (“DCJS”) with respect to paroled sex offenders residing within the Miller Place School District. In the event that the District receives notification from a local law enforcement agency with respect to paroled sex offenders residing within the District, the Superintendent and/or his/her designee shall determine whether and to whom such information may be made available as determined by law. The Superintendent or his/her designee shall take reasonable steps to ensure that the information is conveyed in a lawful and appropriate manner consistent with the best interests of the students of the District and the Community. Information disseminated to the School District pursuant to Megan’s Law may be disclosed or not disclosed by the District in its discretion.

The Superintendent or his/her designee shall have discretion to take the necessary steps and to develop guidelines to carry out the intent of this policy.
