STUDENT CONDUCT ON SCHOOL BUSES REGULATION

Supervision and Discipline

Pupils on a school bus are under the authority of the bus driver. All pupils are expected to abide by the District's Code of Conduct while on a school bus.

1. Continued disorderly conduct or persistent refusal to obey the driver is sufficient reason for a pupil to be suspended from transportation on a school bus.
2. If a pupil is determined by the bus driver to have misbehaved on the bus, the principal will take appropriate action. Action may range from a letter sent to the parents notifying them of the misbehavior to an immediate five day suspension from riding the school bus, and/or action pursuant to the District's Code of Conduct.
