The Board of Education, while acknowledging the importance of ensuring the confidentiality of personally identifiable data pertaining to an individual with a disability, recognizes that it is responsible to provide a free appropriate public education to all eligible students with disabilities. Therefore, it is the policy of the Board of Education of the Miller Place UFSD to provide general and special education teachers, related service providers and other service providers who are responsible for the implementation of a student’s IEP, IESP or SP with a copy of same, in accordance with the requirements of subdivision 7 of section 4402 of the Education Law.

At a CSE, CSE Subcommittee or CPSE meeting for each student, a determination will be made as to which general education teachers, special education teachers, related service providers and other service providers have responsibility to implement the recommendations on the student’s IEP, IESP or SP. “Other service provider” means a representative of another public school district, charter school, BOCES program, child care institution school, Special Act school district, State-supported school, approved private in-state or out-of-state school, and/or an approved preschool provider where the student receives or will receive IEP, IESP or SP services.

The CSE, CSE Subcommittee and CPSE Chairpersons shall ensure that a paper or electronic copy of each student’s IEP, IESP or SP is provided to each regular education teacher, special education teacher, related service provider and/or other service provider who is responsible for implementation of the program or plan. These individuals responsible for implementing an IEP, IESP or SP shall, in turn, ensure that all paraprofessionals (teacher aides and teacher assistants) and other providers responsible for assisting in implementation are given the opportunity to review their copy of the IEP, IESP or SP prior to program implementation as well as have ongoing access to such copy.

All copies of a student’s IEP, IESP or SP provided or made accessible under this policy must remain confidential, and shall not be re-disclosed to any other person, except in accordance with the Individuals with Disabilities Education Act (IDEA) and the Family Educational Rights and Privacy Act (FERPA). To ensure such confidentiality, the CSE and CPSE Chairpersons shall include with each IEP, IESP or SP copy provided or made accessible under this policy, a copy of the Board’s policy on student records (Policy 5500). All IEP, IESP or SP copies must remain in a secure location on school grounds at all times.

The Administrator for Pupil Personnel Services will provide (with the IEP), a statement explaining that the IEP is a confidential document, and that any copy of a student’s IEP provided pursuant to this policy shall remain confidential and shall not be re-disclosed to any other person, in compliance with federal and state laws and regulations, including the Individuals with Disabilities Act and the Family Educational Rights and Privacy Act. .
