## Miller Place School District Athletic Department

### Regulations and Expectations

#### Acknowledgement Form

1. Each athlete will respect their fellow players, coaches, officials, equipment and the rules of the game. Respect includes refraining from behaviors that intentionally attempt to intimidate or hurt another person. I have read and understand the Miller Place School District Hazing Policy and the consequences of such behaviors.
2. I have received and have read the information and educational materials provided by the Athletic Department on Concussion and Head Injury Signs and Symptoms.
3. Once chosen for the team, you are expected to work hard for the common goals of the team and put team goals ahead of individual goals.
4. Athletes will conduct themselves as positive citizens in and out of school and know that poor behavior may result in suspension from athletic participation. Representing Miller Place on a team is a privilege and must be treated as such.
5. Violating the school drug and alcohol policy (including cigarette smoking) will result in a suspension of five-weeks or the remainder of the marking period, whichever is *greater*. Second violation will result loss of extracurricular activities for the school year.
6. Major infringements of school rules may result in additional suspensions or removal from a team. Two suspensions from school within the season (In-school OR Out-of-school) will result in removal from the team. A student serving in or out of school suspension is INELIGIBLE for practice/game on that day.
7. Athletes who are ejected from a contest by an official more than once in a season will be removed from the team for the remainder of the season.
8. All athletes are expected to be in school and on time every day. Excessive lateness to school will jeopardize team membership.
9. Athletes are expected to travel to and from away contests with the team on the school bus. Exceptions will be granted in writing by the building administration or the Athletic Director ONLY.
10. A positive attitude is a necessary attribute to have, particularly in team sports.
11. Players will compete with the following goals in mind: to play as a team and improve everyday; to play the best you are capable of playing; and to be competitive in all games. It is HOW we play the game that is most important in our character development.
