

Room Mothers unite the school and families by encouraging connectivity and coordinating class needs

Room Mother Tasks:

Connectivity

- Create opportunities for families and teachers to connect
- Facilitate mentorship between veteran and newer parents

Coordination

- Serve as the teacher's liaison for class events / parent volunteers
- Send monthly emails to class parents

Serves the school's belief in *"school as an extension of family"*

****Time commitment varies by grade. For PreK – Class Six, it will require a handful of hours at the start of the year (as things kick off, signups happen, etc.), followed by an hour or less time required monthly.****
