---

August 2018

In preparation for the 2018-2019 school year, enclosed please find a Census Verification Report. Please review this document carefully and make any changes directly on the report. Please indicate by checking the designated box that you have discussed arrangements with your child in the event of an emergency dismissal. **Be sure there are at least three (3) emergency contacts listed on the card.** This allows the building administration to utilize additional contacts in an urgent situation. Any additional information or specific instructions can be included on the back side of the report.

Below the Census Verification Report, space is provided for you and your child to indicate that you have read and understand the Miller Place School District Computer Network Acceptable Use and Internet Safety Policy (Board of Education Policy #4526). A copy of this policy is enclosed.

Additionally, on the backside of this form you will find the military release form that needs to be completed. Pursuant to the No Child Left Behind Act, the school district must disclose to military recruiters and institutions of higher learning, upon request, the names, addresses and telephone numbers of high school students. The district must also notify parents of their right and the right of their child to request that the district not release such information without the prior written consent. We have requested that the form be returned on the **first day of school**, yet in terms of the military opt-out, it is imperative that the form is brought to the Main Office no later than September 10, 2018.

**Please have your child return this form the first day of school.**
