April 28, 2023

A Message from Mr. Kruse, Principal

Students and Families,

This past week was full of great opportunities. Thank you to all of our students who represented their activities and athletics at the SHS Activities Fair for the 8th graders, our incoming class of 2027. Fantastic job!! The Reality Maze, in partnership with the Stoughton Wellness Coalition, went smoothly. Please see the SHS Athletics and Activities section of this newsletter for a few photos of these events.

We have the following special events coming up:

- Senior Honors Scholarship Program - Wednesday, May 10 at 7:00 pm in the PAC
- Athletic Awards Night - Wednesday, May 17 at 6:00 pm in the PAC
- Graduation 2023 - Sunday, June 4 at 11:00 am on Collins Field

Next week is testing for all AP courses. Please be mindful of your volume near testing areas and respectful of those spaces.

Finally, we've had a few technical difficulties getting Senior information out to everyone in the graduating Class of 2023. Please take a moment to review the Senior Letter below if it applies to you.

Have a wonderful and safe weekend,
MJK

SHS COLLEGE & CAREER PREP

Free Webinar: Tips and Takeaways for Wellbeing, College, and Career Success

Thursday, May 11, 2023

6:00 p.m., CT

Academic skills and test scores are important, but helping students focus on their wellbeing can help them build a base for lifelong success for wherever their journeys take them. In this event, students will make a connection with Joe Dorri, a longtime psychology professor and researcher, who will showcase how key psychological factors will help them channel their wellbeing into lasting college and career success.

Why you and your students should attend:

- Get five tips to help them make their wellbeing a priority and gain useful exercises to use at school and at home.
- Students will discover things about themselves and their goals that they may never have considered before.
- They will be set up for college and career success by learning about resources they can use now for big wins later.

SPRING CLEANING & GRADUATION

If you have a Stoughton High graduation cap or gown you are no longer in need of, consider donating it back to the high school to be worn again. We try to keep a supply of caps and gowns on hand to have available to students in need of that resource. Donations can be directed to Teresa Hermanson in the Attendance Office.

SHS ATHLETICS & ACTIVITIES

SHS Activities Fair

The SHS Activities Fair for next year's freshman was a blast! Seniors Dylan Hill, Max Mueller, and Campbell Sehmer really showed the 8th graders what the swim team is all about. There's a lot of fun to be had out there, good luck to next year's new class.

Reality Maze

Yesterday, 9th graders participated in an interactive activity sponsored by the Stoughton Wellness Coalition in collaboration with Stoughton High School. The Reality Maze was designed to show students the consequences that underage drinking, drug use, vaping, and other high-risk behaviors can have on their futures.

The Reality Maze featured scenarios that “bring to life” these consequences with the help of real-life situations and community personnel playing their roles as they would in their everyday professions.
