April 24, 2023

Dear Strasburg Elementary School Families,

Over the last several months I have lots of conversations with many of you about the need for a before/after school program within our community. Well guess what?! It's happening!

We feel it is important that our school community offers experiences and opportunities that promote children's education as well as health and wellness. That is why Strasburg Elementary has partnered with Champions to provide after-school programming for our students next school year. Champions' accredited programs have more than 30 years of experience providing high-quality out-of-school-time services that balance education and fun in a safe, enriching environment. The program will be conveniently located right here at Strasburg Elementary.

Children's learning should continue when the school bell rings — and the Champions program ensures it will. Guided by passionate teachers, our students will have the chance to explore their curiosity and interests—in art, literacy, STEM and more-- and build confidence and community through hands-on projects and activities. Time will be set aside for homework support/completion; and healthy snacks and fitness will be offered each day.

For a closer look into the Champions experience, provided below is a link to a virtual tour of the program:  
<https://www.discoverchampions.com/why-champions/virtual-tour>

Families will be eligible to register for Champions now and attached is a flyer with additional information and pricing.

I am truly pleased that we are teaming up with Champions and hope you will consider them as you make plans for your out-of-school-time needs next year.

You can enroll for Champions Here:

With Strasburg Pride,

*Kelle R. Bongard*

**CHAMPIONS**

# Join **CHAMPIONS**<sup>®</sup> at **Strasburg Elementary**

to keep learning and laughing when school is out!

Our before- and after-school programs start when school stops so your child can extend their education in a new way every day.

**In our accredited programs, your child will:**

- Be safe and sound with our industry-leading health and safety practices.
- Laugh and play with friends—which is something kids are craving.
- Strengthen STEM learning skills that kids need to succeed in the classroom and community.
- Explore independent curiosities and collaborate on group projects.
- Move their body indoors and outside with dance, yoga, and free play time.
- Get homework help so they can focus on family (or have downtime) when they get home.

Program	Date	Hour	Pricing
Before School	Fall '23 '24	6:30 am - Bell	1-2 days: \$34 3-5 days: \$55
After School		Bell - 6:00 pm	1-2 days: \$53 3-5 days: \$85
