

Addendum No. 3
Alameda Unified School District
ITB No. 023-077-05 – Various School Site Roof Repairs

Following are the questions, clarifications, interpretations, corrections, and answers:

1. Question:

I see you posted a bid on Builders Exchange, can you tell me if we are already pre-qualified?

Answer:

Please follow the instruction on the BID under Prequalification Questionnaire: Document 00 32 00 1-9.

2. Question:

What are the liquidated damages on this project?

Answer:

In the event District and/or the public is denied the use of or access to the facilities on which the Contractor is working due to delay or overrun of time by Contractor, liquidated damages shall be paid by the Contractor to the District. Due to the difficulty in determining an exact amount for damages for such denial of use or access to the facilities, the amount of one thousand dollars (\$1,000.00) per calendar day is agreed upon as a rational amount to which the District shall be entitled.
