OUR VISION

Changing the World through Christ-centered Education.

A message from **STEPHEN F. EGGOLD** HEAD OF SCHOOL

Please join me for coffee the first Friday of every month before Chapel at 8:30 a.m. in Klekamp!

Dear DLS Parents, Alumni and Friends:

Our Arise & Build Capital Campaign was front and center Saturday, April 1 as we welcomed our annual Boots & Bling Gala at the Statler Hotel.

It was very encouraging to see members of the Dallas Lutheran family gathered in one room as we celebrated our school with love and fellowship together raising money for our Arise & Build Capital Campaign.

As our videos demonstrated and our testimonials reaffirmed, without a doubt, DLS students grow to become the next generation of leaders, professionals, artists and entrepreneurs who will change the world. What sets our students apart is the Christ-centered education that DLS provides.

Our new campus will provide new classrooms, learning labs, science and computer labs and an entire building dedicated to fine arts. It will also bring about a DLS experience unparalleled by any other school in Dallas.

Our campaign development team is continuing to make connections and spreading the word about our progress toward our campaign goal. Thanks to the generous support of our families, friends, and sponsors at our Gala, we are one step closer to reaching our goal.

Please continue to pray. We can't do this without God. With God, all things are possible. Matthew 19:26. If you have not yet pledged, please join the list of our donors, and consider signing a pledge card with your donation. And, thanks to your generosity Saturday, I am pleased to announce that we are moving forward with our new security fencing as the first part of our new campus!

Please call me at 214-349-8912 or send an e-mail to stepheneggold@dallaslutheranschool.com.
