8th Grade Farewell Update from the PTO

The 8th Grade Farewell Party is scheduled for Thursday, May 25 this year. The party is scheduled for 12:00-2:00 p.m. that day at Leopard Stadium. Students will head over after lunch and have snacks, activities, and music to celebrate their successful completion of middle school.

DONATIONS NEEDED

Traditionally, the 8th grade students are all entered into a door-prize raffle for the party. The goal is to be able to give each 8th grader a gift card on their last day. Throughout the party, names are called and students get their prize. Please consider donating \$5-10 cards to various businesses for our kids. All donations can be dropped off at the school between 7:00 a.m.-3:00 p.m. on school days. Please let the office know the donation is for the 8th Grade Farewell Party when you drop it off.

Flower Sale Pick Up

You can pick up your plants and hanging baskets you ordered from the FUTP Ambassadors on May 13 from 10:00 a.m.–12:00 p.m. at Louisville Middle School. If you have any questions, please contact Mrs. Folk at Josette.folk@lepapps.org.

LMS Honors Night

The LMS Honors Night is a ticketed event held on Tuesday, May 23 at 7:00 p.m. in the auditorium. Families of students being recognized for academic, athletic and/or character achievements have been sent letters with their tickets. We are looking forward to celebrating their achievements together.

Cedar Point Reminders

For students attending the Cedar Point Trip on the last day of school, you will come to school as you normally do in the morning. Students riding Bus 1 will report to the choir room to meet their chaperones. Buses 2 & 3 will meet in the auditorium, and Buses 4 & 5 will meet in the cafeteria. We will take attendance at each of these locations, then board the buses, so that we can arrive at Cedar Point as close to opening as possible. Be sure to bring your sack lunch to eat on the bus, and dress for the weather.

School Fees

School fees from previous school years are past due. If you need to make arrangements for a payment plan, please contact the main office to set that up. You are always able to pay online at <https://www.payschoolscentral.com/#/user/login>

Testing Reward Day- Friday, May 5th

Students at LMS have stepped up and worked very hard this year! The majority of our students have earned their testing incentive day off on May 5. Students who are required to come to school that day have been notified in person, a letter was given to them, and a letter mailed to their homes letting them know that they are required to attend school on Friday, May 5. During that day, students attending will have time to make up work not turned in yet, get help from teachers, and hopefully leave feeling like they are caught up and ready to finish the school year strong. If you have any questions, please call the school.
