ESSAYS

Your responses to the following questions are extremely important criteria in the selection process. Please respond to each question on separate sheets of paper. Be sure to include your name on each sheet. Your responses should be doubled-space, and the Admissions Committee encourages that they be typed.

1. Changing schools, while exciting, can also be a little (a lot?) unnerving. In a short essay explain what you would anticipate starting school at Edgemont to be like.
2. If you had \$100 dollars and that money could buy you a share of good friends, knowledge, athletic and/or music ability, and a warm and caring family life, how would you allocate the \$100 among those items? Since you cannot divide the money equally because if you do you will lose it all, how would you spend the money and what would you buy?
3. Optional The Admissions Committee welcomes any additional comments that you may wish to include to support your candidacy.

I certify that all information submitted by me in this application and these essays is my own work, and is complete and accurate to the best of my knowledge. I understand that any misrepresentation or omission of facts in my application will justify a denial or cancellation of admission.
