PSSA Information and Schedule

Dear Parents and Guardians,

I write to you regarding the 2023 Pennsylvania System School Assessment (“PSSA”) exams. The PSSA is a standards-based, criterion-referenced assessment which provides students, parents/guardians, educators, and citizens with an understanding of student and school performance related to the attainment of proficiency of the academic standards. These standards in English Language Arts (“ELA”), Mathematics (“Math”), and Science identify what a student should know and be able to do at varying grade levels. Every Pennsylvania student in grades 3 through 8 is assessed in ELA and Math. Every Pennsylvania student in grades 4 and 8 is assessed in Science. [For more information regarding the PSSA exams, please visit the Pennsylvania Department of Education website, which is linked here.](#)

Individual student scores can be used to assist teachers in identifying students who may be in need of additional educational opportunities, and school scores provide information to schools and districts for curriculum and instruction improvement discussions and planning. In compliance with the Pennsylvania School Code, the State Board of Education approved specific criteria for advanced, proficient, basic, and below basic levels of performance. Please note that the school will provide a copy of your student's individual scores on the 2023 PSSA exams upon receipt of the scores from the state.

The school will administer the 2023 PSSA exams as outlined in the below schedule.

Math Help
Workshop for
Parents

Boys' Latin has developed a partnership with **All This Math, Inc.** to share math resources to support staff, students, and families of Boys' Latin. I desire for **All This Math, Inc.** to hold a workshop to support parents with helping students with Math, especially because the approach to solving math problems has changed over the years. I am debating between holding a workshop in May, so parents can support students over the summer or waiting until the start of school year to hold the 1st workshop. Please take a moment to vote if you would like to have the workshop in May or wait until the beginning of the school year. [Vote for All This Math Parent Session](#)

Spring Uniform Shirts

Warriors can begin wearing Spring uniform shirts. Warriors can continue wearing their winter uniform if they like. Students can only wear the Spring Polo Shirt. Students are NOT allowed to wear the gym t-shirt.

Please be aware that students can still wear winter uniform when the temperature changes.

Dismissal and Community Horseplaying

As the weather changes and our 6th and new 7th grade students get comfortable traveling home by themselves. Please have conversations with your warriors about how they conduct themselves in the community and traveling home. Neighbors have reached out about students horseplaying in the community and being boisterous and using profane language. These behaviors are not indicative of Boys' Latin Warriors. Please have conversations with your Warrior about who they are traveling home with and about being true to themselves and not following the crowd.

PLEASE NOTE while students are traveling home or coming to school, and they are engaging in behaviors that violate our code of conduct they will still receive school consequences.

Purchasing Ties and Belts

If your Warrior is in need of a tie or a belt you can purchase ties and adjustable black belts on our Boys' Latin Website.

Ties: \$12

Belts: \$5

Technology Updates

1. All students and families must submit all technology related (laptop, passwords, chargers login information) issues/ requests to support@boyslatin.org.
2. In-Person technology support is available to students during their lunch period on **Tuesdays and Thursdays**. Out IT specialist is available to middle school students on the stage in the dining hall during each lunch period.
3. All students and their parents have received the *One-to-One Laptop Program Policy* and signed the *One-to-One Laptop Program Agreement*. This means all students and their parents are accountable to the policy. Students must report damage, issues, and concerns related to their school-issued device (Chromebook and Chromebook charger) to the Technology Department within one school day. **Damage due to negligence as well as loss or theft of a school-issued device is the responsibility of the student and their parent. The fee for a lost or stolen Chromebook is \$300.00** and the fee for a lost or stolen Chromebook charger is \$45.00. In the event a school-issued device is stolen, if the student or parent report of the incident is deemed credible, the school will replace the device at no charge to the student or parent. Damage due to negligence or loss of a school-issued device are level two or level three violations of the school's *Code of Conduct*

The Man Box

Please join us in helping dismantle the Man Box and redefining what manhood is. To learn more about the Man Box please check out this [video](#) and website [A Call to Men](#)

Each report period, each grade will focus on dismantling a stereotype in the man box and focus on exemplifying the behaviors that boys/men should exemplify.

WHAT IS THE MAN BOX

Represents how boys and male-identified people are taught to view manhood, women, and girls.

INSIDE THE MAN BOX:

- Women and girls are objects, the property of men, and have less value than men
- Boys and men should not cry or openly express emotion
- Boys and men should not show fear or weakness
- Boys and men should not "act like a girl"
- Boys and men should be decisive and not ask for, offer, or accept help
- Aggression equals dominance

Using PowerSchool and Kickboard

1. **Please be sure to check your students' grades on PowerSchool** to see any assignments they need to make-up. **We recommend doing this on a weekly basis as teachers update grades every week.**
2. Please check Kickboard to see how your student is being celebrated or corrected throughout the week. When students receive 6 corrective behaviors in one week a student will receive a detention
3. If you need login information for your student, please email support@boyslatin.org

Quick Ways to Support Your Warrior

1. **Locker Support**
Many of our warriors need practice opening their lockers. Please have your warrior practice opening a combination lock by using the following link [Combination Lock Practice](#). You can practice directly on a cell phone.

2. Laptop Charging

Please make sure your warriors' laptop is charged each night and they bring it to school everyday.

3. Make sure your warrior brings their ID every morning for attendance purposes.

If your warrior did not get their picture taken or lost their ID they can see our IT specialist on Tuesday and Thursday during their lunch period.

Student Attendance and Early Dismissal

Arriving on Time

Students are late if they arrive after **7:59AM**. It is imperative that students arrive before 8AM so they can get to class on time. **If students arrive after 7:59 they must enter through the Visitor Main Entrance.** You can always see your students' attendance on PowerSchool.

Early Dismissals

Students are **NOT** allowed to be dismissed by phone or email. Only a parent or an emergency contact can pick-up a student for an early dismissal.

All early dismissals must occur before 2:30PM.

Dismissal

Please do not double park your car on Callowhill Street. It has caused a very dangerous situation for our students who are walking home and catching public transportation. We also want to respect neighbors and neighborhood traffic flow. We understand that parking is limited, but please **DO NOT** double park.

Boys' Latin Extended Family Network

Extended Family Network at the middle school. Extended Family Network is like a home and school association. Together we can build a framework for the future and promote mutual understanding, cooperation, and communication among families, teachers, and administrators. We can build a school culture that allows for special events, celebrations, and a strong support network. Together we can help create an atmosphere where students feel excited to come to school and feel encouraged by their entire community. I cannot express how crucial it is to have our families involved in this endeavor.

Please consider becoming an active member of Boys' Latin Extended Family network. Our Warriors deserve the BEST and our staff would greatly appreciate your support. If you are interested in having a role in building this network, please send an email to efn.ms@boyslatin.org expressing your interest to partner with the network.
