# From the Headmaster

Douglas C. Cummings

**A**nother school year is well underway. I am proud to report that MCI entered its 126th year on a sound financial base and recently ratified a new, 10-year contract with Maine School Administrative District #53 to continue our partnership through the year 2003.

Having started the school year with 93 students, MCI's boarding program enrollment is at its highest level in many years.

You'll be pleased to learn that MCI has been named by the Maine Department of Education as one of nine members of Maine's Coalition of Essential Schools. The nine schools are recognized as leaders in the movement toward educational restructuring.

Over the years, many alumni left MCI satisfied that the school gave

them the education necessary to become happy, successful adults. Today, MCI is faced with escalating educational costs, forcing us to depend more and more on the Annual Giving Fund. This fund of unrestricted cash gifts helps to ensure that today's students receive the same educational opportunities the students of yesterday received. I am thankful for alumni support of the Annual Giving Fund. During the past year, more than \$68,000 in annual giving contributions came to our school. These dollars make the difference between an average high school education and an outstanding one.

Our long-range plan calls for the restoration of Founders Hall, a major renovation of Cianchette Hall of Science, and the construction of a LIFE Skills Center to replace our

industrial arts facility. When will these projects be done? They'll be done when we successfully complete a major capital campaign, possibly exceeding eight million dollars. When *should* these building projects be done? Yesterday would have not been soon enough, but because of the state of our economy, they may not be completed for several years. When the Board of Trustees feels that it is appropriate to enter into a major capital campaign, then we will do so; until that time, we will continue to strive forward with the facilities we currently use.

I always look forward to talking with our alumni and other interested people about the growth of our institution. It's a great privilege to be a part of the long-range development of Maine Central Institute.

## Educational Initiatives at MCI

**T**here is a growing concern about the quality of education in America today. The concern is that we, as a nation, have failed to prepare our young people for the competitive challenges they will face in the twenty-first century.

President Bush's "America 2000" plan, announced in April, 1991, calls for sweeping changes in the educational process, particularly in the areas of math and science. In Maine, Governor McKernan has developed "Maine 2000" to begin the process of restructuring education. At its August meeting, the MCI Board of Trustees' Executive Committee adopted the "America 2000/Maine 2000" concept and committed MCI to its goals.

In conjunction with the Educational Commission of the States and the Coalition of Essential Schools, MCI

has joined the Re:Learning Schools Network. MCI and eight other Maine schools or districts have received "innovative" grants to develop model restructuring programs within their schools. With input from MCI faculty, local business representatives, teachers and administrators, a committee of MCI educators has identified specific student needs: communication skills; self-confidence/self-esteem; problem solving/analytical skills; and a strong work ethic.

From this assessment, the LIFE Skills curriculum (Learning and Integrating Future Essentials) was born. Every freshman student is enrolled in the program. Classes meet for two 45-minute periods each morning. In a "team" approach, teachers and students tackle pro-

blems and bring together information from the business, computer, home economics, English, and industrial arts disciplines. By the end of the school year, each student will compile a portfolio to be assessed by the teaching team.

The success of MCI's Humanities program, which integrates history and English (along with art and music), proves that students learn well through an interdisciplinary curriculum. Through a similar approach, MCI's LIFE Skills program seeks to teach our students the essential skills they'll need for the complex and exciting challenges that lie ahead.

# 1990- '91 Annual Giving

The students, the Board of Trustees, faculty, and staff of Maine Central Institute thank those alumni, parents, and friends who generously supported the 1990-91 Annual Giving Fund. The names of contributors are listed below and on the following pages.

# Roy U. Sinclair Weight Room Dedicated

On October 3, a group of MCI trustees, faculty, alumni, and other honored guests gathered at Wright Gymnasium for the formal dedication of the Roy U. Sinclair Weight Room.

The late Mr. Sinclair came to MCI in 1926 to teach math, coach football, and supervise the boys' dormitory. He had grown up on a farm in southern Maine, and knew about hard work, discipline, and earning one's own way in the world. Mr. Sinclair worked to instill those values in his young students and players. To this day, he is remembered with respect and fondness by his former students and colleagues. While at MCI, he met and married Alice Webster, the home economics teacher. They raised two daughters, Nancy Sinclair Wilson '52 and Sallie Sinclair Huot '56. Mr. Sinclair left the MCI faculty in 1943, but he remained on the Board of Trustees. He served two terms each in the Maine House of Representatives and the Senate. In the Senate, he sponsored the bill that led to the creation of Maine's system of school districts.

In 1957 Governor John Reed appointed Mr. Sinclair to the Employment Security Commission, a position he held for 10 years. Mr. Sinclair was an active Shriner who served as Potentate of Anah Temple in Bangor.

In the words of Board of Trustees President, Peter Vigue '65, Mr. Sinclair exemplified the principles of "commitment, dedication, and search for excellence as well as any teacher at MCI . . . We will never forget where this school came from or those who made it what it is today."

*"The wisdom that Mr. Sinclair shared with young people, and the guidance he gave them in the classroom and on the playing field, enriched their lives. His influence has endured and continues to inspire us today."*

— From the inscribed plaque honoring the late Roy U. Sinclair

Headmaster Douglas Cummings, Mrs. Alice Sinclair, and Board of Trustees President, Peter Vigue, '65 are pictured in the Roy U. Sinclair Weight Room, dedicated in honor of Mrs. Sinclair's late husband.

## Class of 1966 Gift

The 1991'92 Annual Giving Fund runs from July 1, 1991, through June 30, 1992. This year's Fund got off to an early, flying start at the 1991 summer alumni reunion on August 3.

Through the efforts of Class Agent, Anna Parker McIlveen, and her assistants, Lance Browne and Rex Fowler, the Class of 1966 celebrated its 25th reunion in grand style! Nearly a year in advance of the date, Anna began working on the reunion, by sending letters and making phone calls to classmates and friends. Her tireless efforts paid off. MCI alumni and guests were treated to an after-banquet concert and dance, featuring Anna's singing group, "Anticipation" and Rex's own "Aztec Two Step." Earlier in the evening, "Anticipation" delighted banquet guests with an a cappella rendition of the MCI school hymn.

With proceeds from the dance, the class of 1966 was able to make a contribution of \$1,000 to the 1991'92 Annual Giving Fund, designated for the purchase of musical instruments by the MCI music department.

Congratulations to Anna, Rex, and Lance for their efforts on behalf of their class and to the many alumni and friends of MCI who made this event a success. Anna encourages other classes to follow 1966's lead, and sponsor other types of fun-filled events which support MCI.

# 1991 Alumni Open a Smashing Success

Apparently the Alumni Open brought out the zaniness in this foursome, as they vied for first prize in the "outlandish attire" category. The "New Kids," along with 14 other teams, teed off on Saturday, August 17, at J.W. Parks Golf Course at the start of MCI's sixth annual 18-hole benefit tournament. Following the day of golf, players and their guests enjoyed an outdoor "surf & turf" dinner at the course clubhouse.

Winners in tournament categories were: individual low gross, Kyle Ladd and Dick Browne; individual low net, Vaughn Stedman; team low gross, Dick Browne, Charles McCann, Bob Pellerin, Bob Stevenson; team low net, Peter Fendler '80, Donn Fendler '44, Tom Tilton, Gary Hall; accuracy drive on #3, Donn Fendler; nearest to pin on #8, Tom Pollard; on #13, Mark Susi '70; nearest to pin with second shot on #9, Tom Tilton.

The Alumni Association-sponsored tournament raised \$3,000 for special projects at MCI. Projects this year include gifts to the Annual Giving Fund for scholarships, the sponsorship of the Florida reunions, the

purchase of a computer printer for the Alumni Office, and the purchase of a framed print commemorating MCI's 125th anniversary (presently on display at Weymouth Hall).

## FUTURE QUARTERBACKS DISCOVERED

*A very determined Ryan Curtis, Class of 2004, coached by Dad, Chuck Curtis '85, took his turn with the ball at the Alumni/Family Punt, Pass & Kick Contest on Homecoming Day.*

The Alumni Association sponsored its first annual "Alumni/Family Punt, Pass & Kick Contest" on Homecoming Day, Saturday, September 28. Contestants, who were either alumni or employees of MCI, teamed with their children or grandchildren under thirteen years of age.

Out of a field of 6,000+ possible contestants, the following "Final Four" displayed their talents at mid-field during half-time of the MCI-Hampden football game:

**Steve Vance '76 and son, Derreck '99**  
**Ron Friend '65 and son, Arik '97**  
**Steve Salley '71 and son, Joey '97**  
**Matt McGowan '75 and son, Luke '01**

The first place trophy was won by Ron and Arik Friend . . . and yes, the Huskies won the football game (score: 25-8)!

## Hall of Fame Inductees

Anthony Koris '57, Robert Moulton '40, and Frank Koris '63 are pictured at the August 3 reunion banquet with the plaque commemorating the induction of Frank "Parney" Koris '40 into the MCI Hall of Fame.

One inductee was a young man of another era who graduated from MCI with distinction and went off to serve his country in World War II. He didn't return alive, yet for fifty years he has lived in the memories of his classmates and friends.

The other is a young man of today, a business owner and community leader who is devoted to his family and committed to helping others.

In different ways, Frank Koris and Michael Fendler have each left a lasting impression on the people around them and on their school. At the 40th annual summer reunion on August 3, the Alumni Association honored the achievements of these alumni and entered their names into the MCI Hall of Fame.

The late Frank "Parney" Koris graduated from MCI in 1940 and returned the following year to complete a postgraduate course of study. Admired by the faculty and students for his kindness, sincerity, and school spirit, Parney was the recipient of the first Masters Cup, which was awarded in 1941. In 1943, Parney was killed during a battle in Italy. In the words of his friend and roommate, Robert Moulton '40, Parney was "one in a million."

Mr. Moulton was at the reunion banquet to accept the award for his dear friend, whom he "loved like a brother" and his never forgotten. Bob presented the Hall of Fame plaque to Parney's nephews, Anthony Koris '57 and Frank Koris '63.

Michael Fendler '70 retired in 1991 after serving for ten years as Treasurer of the MCI Board of Trustees. Well-known in the Pittsfield community, Mike was one of five children of Ryan and Barbara Fendler. During his high school and college years, Mike was an avid skier. He and his father were instrumental in establishing the Pinnacle Ski Club; at one time, Mike served as its president.

Mike is part-owner and president of C. M. Almy & Son. Formerly the Mayor of Pittsfield and a Town Councilor, Mike chaired Seabasticook Valley Hospital's capital campaign in 1990.

In his service to MCI as its financial advisor, Mike has given the school an immeasurable amount of time and management expertise. In nearly every corner of the school campus, there is evidence of Mike's generosity. For all of these accomplishments, Michael Fendler has earned a place in MCI's Hall of Fame.

## 125th Birthday Noted at Summer Reunion

1991 marked MCI's 125th anniversary, a milestone in the school's history. Speaking at the reunion banquet, Headmaster Douglas Cummings drew a comparison between the visions of MCI's founders and today's plans for the school's future.

Headmaster Cummings praised the many individuals who have "helped to chart the course of the school" throughout its history. He introduced Paul Legge, a former science teacher and designer of the Cianchette Hall of Science, and Alice Sinclair, a former home economics teacher and widow of long-time coach and teacher, Roy Sinclair.

Activities during the reunion week-end included meetings and special parties for the five-year anniversary classes. At the yearly meeting of MCI's class agents, alumni exchanged ideas about reunions, class correspondence and alumni giving.

At the Alumni Association's annual business meeting, the following members were elected to office for the 1991-'92 school year: President, Ralph Damren '64; Vice President, Lynne Gould Cianchette '69; Treasurer, Allyn Taylor '66; and Assistant Treasurer, Lori Wyman Glidden '80. The newly elected members to the Alumni Association Executive Committee are Charles Curtis '85, and Aaron Shorey '89.

With sadness we note the passing of E. Burnell "Bun" Overlock of Washington, Maine and Winter Haven, Florida, on October 16. Bun was the Class Agent for 1924, a former President of the MCI Alumni Association, and a lifelong friend of MCI. He was the husband of Martha Braman Overlock. He was predeceased by his son, Vincent, in 1989.

Born in Washington, Maine, on December 31, 1906, Bun was the son of Charles and Clara Lermond Overlock. He graduated from Washington High School in 1922, MCI in 1924, and Washington State Normal School in Machias in 1928. Bun received his Bachelor of Education Degree and Master's Degree in Education Supervision and Administration from Rhode Island College of Education.

Bun was a principal in the Lincoln, Rhode Island school system for 29 years. In 1959, he opened Ponaganset Junior/Senior High School in Foster, Rhode Island, the state's first regional junior/senior high school. His last years of teaching were spent in Bourne, Massachusetts. After retiring in 1972, Bun served for ten years on the Bourne School Committee.

Bun was a 63-year member of Mt. Olivet Masonic Lodge, Washington, Maine and was a member of St. John's United Methodist Church, Winter Haven. His numerous memberships and civic affiliations included: the Society of Paper Money Collectors; Upper Cape Coin Club (honorary life member); Barnard Club of Rhode Island and Rhode Island Secondary School Principals' Association; Retired State, County and Municipal Employees Association of Massachusetts; Bourne Historical Society (Vice President

and life member); scout master and assistant district commissioner in Rhode Island; and planning director of the civilian defense program during World War II. Bun was also a licensed auctioneer in Bourne.

In 1984, Bun wrote and published *"Sixty-six Years a Country Fiddler,"* the story of his father's life. In 1986, he compiled and edited a book of his mother's poems. In 1989, a newly constructed annex to the Lincoln (Rhode Island) Central Elementary School was named in his honor. Mr. Raymond Fontaine of the Lincoln School Committee wrote that the Town of Lincoln "...has never forgotten (Bun's) extraordinary contributions to its welfare..." and that the dedication of the school in his name was Lincoln's "expression of

enduring respect, gratitude and love."

On August 5, 1989, Maine Central Institute awarded Bun its highest honor, induction into the MCI Hall of Fame. Bun was recognized for his life-long commitment to the education of young people and his great contributions of time and resources toward the betterment of MCI. Bun's loyalty to MCI was exemplary.

A memorial service for Bun was held on October 20 at St. John's United Methodist Church in Winter Haven. In his eulogy, Dr. John Few, Pastor, spoke of Bun's love for MCI, his service as a class agent, and his election to the MCI Hall of Fame. Contributions in memory of Bun Overlock may be made to Maine Central Institute. Emily Sinclair '49 expressed very clearly our feelings about Bun:

*"a dedicated, caring alumnus . . .  
we shall all miss him."*

# Class Notes

## The Teens

**1919** Evie White '36, Class Agent, notified the Alumni Office that **Elaine Marden Brooks** now resides at Bennett Retirement Home in East Windham, Maine, and is very happy there.

**Class Agent: Volunteer needed.**

## The Thirties

**1933** Arthur Danielson is enjoying his retirement in Hobe Sound, Florida. He plays golf three or four times weekly, and at age 77, is "still sticking in there!"

**Class Agent: Sara J. Cowan**, 300 Allen Avenue, Portland, ME 04103.

## The Forties

**1940** Each fall, the class agents get a vacation and are excused from writing up a letter to classmates (which is typed by the *Alumnus* staff and sent to classmates). However, for a very special reason, I didn't want to wait for the winter '92 *Alumnus*. You'll recall that, one year ago, I asked that we not curl up and die, just because our 50th had passed! Well, except for a few exceptions, our class did just that.

If you will all bear with me a few minutes, I will become serious for a change, and tell you what you missed. I have a reinforced concrete floor in the original part of my cottage, and on the Monday of the week of the 1991 reunion, I received a phone call from our Director of Alumni Affairs, Maria Connors. The news that she conveyed to me nearly sent my feet through that floor. She called to tell me that **Frank (Parney) Koris** had just been voted to the MCI Hall of Fame, and that they wanted me to accept it for the Koris family. That award for Parney is something I have dreamed of for years. Most of you classmates knew him for just that one year, but we had become best friends in sports, double dates, etc. at MCI and also at the University of Maine. While at the University, we, along with **Frank Haseltine, Frank Squires '39**, and **Martin Kelley '41**, all joined the same fraternity.

During the week of the reunion I became a complete "zombie". We were able to round up Parney's family, including his aunt, his two nephews, and their wives.

I somehow survived the ceremony and presented the plaque to his two nephews, **Tony '57** and **Frank '63**, Parney's namesake. One thing that I noticed when I first met the family before the banquet was that they all have that big "Parney smile". The

honor of presenting that award on behalf of MCI to Parney's family meant more to me than if the call had been that I had been selected to become a member of the U.S. Supreme Court and also had won a hundred-million dollar lottery. Parney, as most of you know, came back to MCI for a second year, so with 1991 being its 50th reunion, I know it was also a very special occasion for the class of '41. It was a special occasion for 1944, knowing that Parney received the award, because he also had received the first annual Masters Cup in 1941. For the few who may not know, Parney was killed in action in Italy on November 30, 1943.

I want to thank **Jean Purinton Maynard**, Class Agent for 1941, for inviting me as a guest of her class. Special thanks to Jean, **Marjorie Tilton Bolger**, **Pat Merrill Frech**, along with our Headmaster, Douglas Cummings and Maria Connors, for helping this "Nervous Zombie" get through the presentation.

Now, to the lighter side of the news:

Tip #1 — You all remember, MCI was a school with very few, if any, snobs, and nothing has changed. I had the pleasure of ending up at the same table for the reunion lunch with our Headmaster and his lovely wife, Lori, and I warn all of you that if you are ever starved, do not sit at their table because that will be the last table to be served.

Our class was very sparse in attendance, unless during my busy day, I missed somebody. I did see **Ted Small**, with his brother, **Bob '41**, **Phyllis Wren Wilcox**, **Harris Mathews**, **Alma Ellingwood Allan**, **Virginia Almonte**, **Ronello Brown**, **Novella Cookson Rogers**, **Bob Whitman**, and **Ruth Harding Maple**. Alma and her sister, **Winnifred Hammond '41**, look more and more like identical twins. Since the summer *Alumnus* went to press, I received a letter from **Elizabeth "Liz" Kinney Jones**, telling me she had a great reunion with **Jean Purinton Maynard '41** in Costa Mesa this past May, while Jean was visiting her daughter, **Peg '84**. Liz says any other visitors to Southern California would be most welcome! Liz also wrote that she was coming east to Montclair, New Jersey, on August 10th to her son's wedding and to visit with son Brian and family. This trip brought her family together for the first time in more than two years. That, and the Hudson River, did not allow enough time for the MCI reunion.

Early this summer a horn sounded outside my cottage — it was **Don Susi** and **Meredith McFarland** and off I was dragged to dinner. That visit was topped off by a visit to **Pat Merrill Frech's** home, unannounced, and Pat, Don and Meredith had a nice long chat about growing up in Pittsfield. I know that you all want to know what they discussed; however, after giving it much thought, I have decided that it's none of your business! I will tell you that nothing

that they discussed was in bad taste.

Tip #2 — If any of you ever get "down in the dumps" and need someone to make you feel happy again, just make a fast trip back to Pittsfield and look up **Ralph Gould '38**, and if that big smile of his and a short conversation with him doesn't perk you up, then you might as well throw in the towel.

Tip #3 — Many of you have probably reached the age where you may be worrying about weight problems, wrinkles, etc. If so, call Jean Maynard's mother, **Margaret Purinton**, or **Alice Sinclair**. They both have surely found that Fountain of Youth. I am not sure that they will share their find.

Tip #4 — Please, please, please take a few moments and send me some news for the Winter *Alumnus*; otherwise, our section of the class notes will be blank. Nobody but me can read my writing, so I "one-finger" my trusty typewriter to get the report in, and that takes hours per sentence. Each time I send in a report, I expect to get it back from the office with red correction marks and a "Grade," telling me to please make some sense of my reports!

Tip #5 — If you classmates, and any other former students at MCI who just might read this column, think these annual reunions are a waste of time, then just take my word for it and come back this next summer. I assure you that you will never again think that way.

**Class Agent: Robert Moulton**, P.O. Box 921, Scarborough, ME 04070-0921.

**1941** The long-awaited 50th Reunion is now history and I want to thank everyone who participated, especially those who helped me with class letters and planning. It was wonderful to see so many old friends, but we missed those who couldn't join us. There were 26 1941 class members along with their spouses, friends and relatives on campus during the day. After visiting in the library and on campus, we gathered for our class luncheon at the school cafeteria where we were joined by Headmaster Cummings and wife, Lori; Margaret Purinton; Alice Sinclair; **Bob Moulton '40**; and **Ralph Gould '38**, who has always been included in our reunions with Muriel in past years.

After lunch, we met at the Manson House and enjoyed a beautifully decorated cake in our honor, had pictures taken and received MCI mugs and special 50-year certificates. Incidentally, many were taking pictures and I would appreciate duplicates or negatives. After the reception I had an Open House for a couple of hours — with help from **Margie Bolger**, **Arlene Wakefield**, **Gladys Cookson** and **Burton Hammond**.

We were happy to see **Bob Small**, his wife Shirley, his brother **Ted '40**, and his wife. Shirley wrote that Bob enjoyed his day, was glad to see everybody and would like

to have stayed longer. **Doug Stafford** was accompanied by his wife of one week. Congratulations, Velma and Doug! **Edith Atwell Smith** came from Texas and spent time visiting her family in New England. **Connie Allen Bennett** had mixed feelings about coming back after so many years, but sent a nice letter saying how glad she was to see everybody and only wished she could have stayed longer. **Donna Leavitt Winton** delayed surgery just to be at reunion; I'm happy to report that she is home from the hospital and is doing well. **Margie Bolger**, who recently moved to Westford, MA, arrived at my house a few days early. We enjoyed visiting; she helped me with the "Open House". My son, **Jim '69**, and wife Donna, were there to assist also.

Glad **Winnie Ellingwood Hammond** and husband, **Marshall '42**, felt they could join the "old people!" Everyone was happy to see them. **Burton Hammond**, **Barbara Hammond Withers** from Ohio, **Linwood Sinclair** and **Esther Reynolds Littlefield** and husband from Dexter, **Vesper Boynton** from Florida, **Irene Ames Whitman** and husband, Bob, and **Arlene Bryant Wakefield** from Pittsfield were all here. We were glad **Cecil Coombs** wasn't really "lost" and found his way back with wife, Esther. Sorry the golfing was rained out on Sunday! It didn't take us long to recognize **John Hatch** — was great to see him after so many years, and to meet his wife, **Bob Anderson** and wife, Margaret, joined us as did **Bob Hill**, **Neal Ward**, **Floyd James**, and **Paul Morrell**. **Marie Higgins Graves** and husband joined us at the banquet. **Bob Moulton** and I put pressure on **Pat Merrill Frech** to come; she admits we were right and really did enjoy the day.

We all missed those who couldn't be with us. Thanks to those of you who responded. **Dorothy Welch Huntley** has hospice patients who needed her and **Barbara Havey Bauer** had pets to care for, plus an aversion to Logan Airport. They both live in California.

Our class can be especially proud that **Frank "Parney" Koris** was inducted into the MCI Hall of Fame this year. He spent his postgraduate year with us and was the first recipient of the "Masters Cup" in 1941.

Please keep in touch so we can have news for the *Alumnus*.

**Class Agent: Jean Purinton Maynard**, 7 Waverly Avenue, Pittsfield, ME 04967.

**1942** After reading the 1940 and 1941 news, '42 HAS TO BE EXCITED about returning to MCI for its 50th reunion next August! It sounds like a great way to celebrate fifty years of friendships, families, and all that has tied us to MCI over the

years. Plan to be in Pittsfield on August 1. **Ken** and **Evie** have offered the use of their home on Arbor Lane for our festivities. I'll be sending more information along, as we get closer to summer. Let's make our 50th reunion an event we'll never forget!!

**Class Agent: Arlene Frederick Beardsley**, 3215 Canal Drive, Pompano Beach, FL 33062-3305.

## The Fifties

**1950** We are saddened by the death of **William Paterson**, Rumford, ME, this past summer, and the death of **Clyde Roach**, Salem, OR, on June 6.

**Class Agent: Mary Dysart Quint**, P.O. Box 7, Pittsfield, ME 04967-0007.

**1951** On August 3, approximately forty members of the class of '51 gathered at the Knights of Columbus Hall in Pittsfield to celebrate the 40th anniversary of our graduation.

**Heather Roundy Read** of California and **Glen Cyr** of Maryland traveled the longest distance, and **Mary Lou Davis Grass** and **Joan Perry Killam** claimed the most grandchildren. It was decided that **Lucy Mosher** and **Norm Levasseur** had changed the least!

The contagious laughter and chatter of **Raejean Lancaster Lester** soon had those in attendance relaxed and enjoying memories with their classmates. **Bill Anderson** joined the "By-Pass" Club in February. **Carlo Vangeli** is proprietor of the Gatherings Restaurant in Southwest Harbor.

Marie Morrison Cooper, Sidney McGaffin and **Herb Pelkey** attended their first reunion, and ten former faculty members, including Mr. and Mrs. Paul Legge, Mr. and Mrs. Rod Smith, Mr. and Mrs. Sam Mereen (Pat Leland), Mrs. Maple Young Plummer, Mrs. Virginia Muzroll, and Miss Helen Philbrook added to our afternoon's enjoyment.

**Alice Fitts Ross** and husband, Charles, proved that they are still light on their feet, by dancing the waltz, polka, and jitterbug, while Herb Pelkey and Norm Levasseur mentally re-ran the cross country races in which they did so well.

**Galen Spencer** enlightened **Marilyn Parkhurst Sirois** and yours truly on how he passed English Lit while **Nancy Hatch Winship** and **Marise Elderkin Wilson** recalled their elementary school days at Riverside School.

There were about fifteen class members who failed to put in an appearance, after indicating they would be here. It was decided to send these people a road map before the next reunion! Those of you who could not

attend were missed, and we hope that you'll be with us for the 45th!

I want to publicly thank **Dick and Bev Sennett Berry** for all they did to make my job so much easier; also **Sally Cianchette Dwinell** and Marilyn Parkhurst Sirois. Also my thanks to all who contributed so generously toward expenses. Keep those news items coming.

**Class Agent: Beatrice Newhouse Billings**, 14 School Street, Pittsfield, ME 04967.
