Highlights of Reunion '85

On one of the most beautiful weekends of the summer — August 3 and 4 — over 300 MCI alumni returned to campus to participate in the reunion activities.

Saturday's events began at 9 a.m. with registration in the library where many gathered to reminisce and visit with old friends. At 9:30 21 class agents met with Alumni Director Patricia Anderson to discuss plans for the coming year. Following the Class Agent Coffee, the annual business meeting of the Alumni Association took place. New officers were elected as follows: Sherman Lahaie '60, President; Ted Susi '70, Vice-President; and Patrick McGowan '74, Assistant Treasurer. Elected as new members of the Executive Committee were: William Ball '63, Earle Cianchette '73, Pamela Houston Brooks '65, and Kathleen McGowan Frost '60. Dennis

Goodridge '70 was reelected to the committee.

During the afternoon all of the anniversary classes hosted special class gatherings. Members of the golden anniversary class of 1935 enjoyed a special luncheon on campus followed by a reception where they were presented with golden anniversary mugs and certificates. The 50-year class had been raising money for this special occasion, and they voted to present the school with the entire sum of \$2,364 to be used toward the purchase of computers for the school. The school was planning to purchase a few microcomputers this year, but this generous gift will allow MCI to buy a considerable amount of new equipment.

The day concluded with the annual reunion banquet held under a large canopy on the front campus. The oldest alumnus in attendance was Gladys Tarbell Shorey from the Class of 1912. It was a tossup as to who had travelled the furthest since a handful of people had made the trip from various parts of California, but there was no question as

to which class responded loudest to the roll call — it was definitely the class of 1965. Frances Buckley of Pittsfield won the rocking chair raffle.

On Sunday 80 alumni and friends competed in the golf tournament at Johnson W. Parks Golf Course. Five teams tied for first place with scores of 65.

Bertrand and Lehr Honored

As part of the ceremonies at the reunion banquet, Paul Bertrand '59 and Willard W. Lehr, Jr. '42, both of Pittsfield, were honored as this year's inductees for MCI's Hall of Fame. Headmaster Ralph Baxter awarded each of them a plaque commemorating their induction.

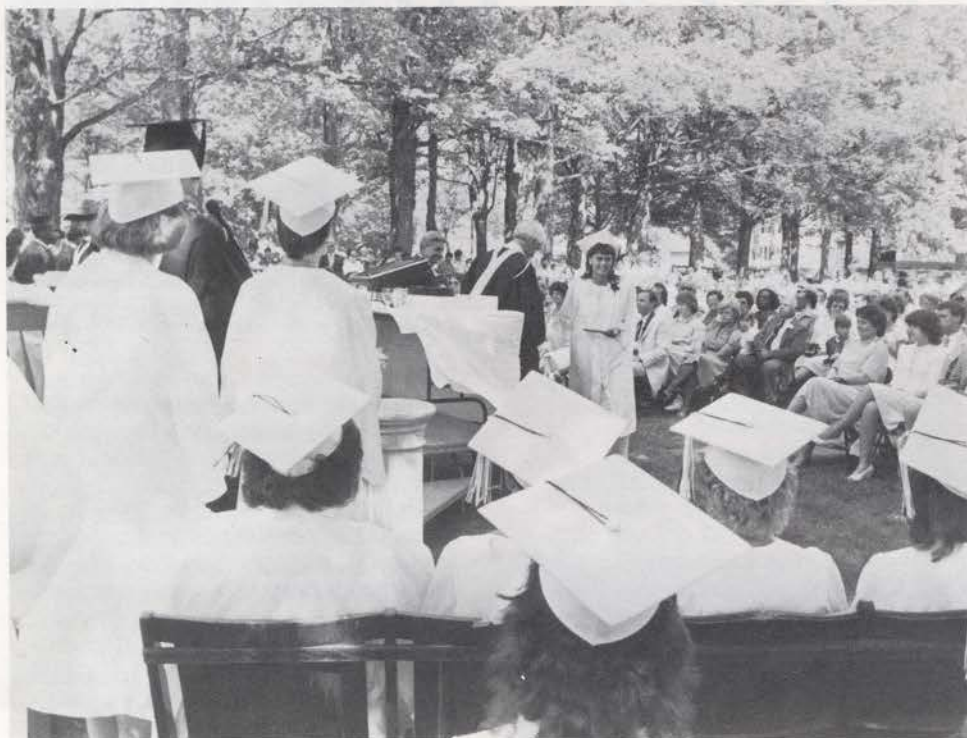

Over the years Paul Bertrand has contributed many hours of service to the school. An active member of the MCI Alumni Association, he served as president of the organization in 1982-83 and was involved with the highly successful Super Supper held that year. He was president of MCI Sports Boosters for three years and he participated in the MCI Tree Project and the Paving Project. Most important of all, however, is Paul's willingness to help when called upon — and he's called upon frequently!

Willard Lehr has also served the school in various capacities. In the mid-50's he led the Alumni Association as its president and chaired the reunion for three years prior to his presidency. From 1973 to 1985 he served on the MCI Board of Trustees. For the past ten years he was treasurer of the school and therefore was a member of the Executive Committee; he was also actively involved with the Budget/Finance and Golf Committees.

Headmaster Baxter concluded his remarks by saying, "The loyalty and dedication displayed by these two men is truly unquestioned, and we welcome these outstanding individuals to the MCI Hall of Fame."

Alumni Directory Nears Completion!

All telephone contact has been completed by Harris Publishing Company, publisher of our official Alumni Directory. The telephone callers verified the information which alumni provided on the questionnaires and the information currently held on alumni records. At the same time, the telephone representatives invited alumni to purchase personal copies of the directory.

The publication of the directory is done at no cost to MCI, and the school does not profit from the sale of the directory. It is merely a service to the alumni to give them an opportunity to purchase one.

The directory is tentatively scheduled for release in December 1985. If you have ordered a directory and have not received your copy by February 1986, or if you are interested in ordering a copy and have not heard from the publisher, you may contact them directly at the following address: Customer Service Department, Bernard C. Harris Publishing Company, Inc., 3 Barker Avenue, White Plains, NY 10601.

Alumni Meetings To Be Held In Florida February 22 & 23

For the sixth straight year, MCI will be holding alumni meetings in Florida. Carl Cianchette '37 is hosting a luncheon in St. Petersburg on Saturday, February 22, and Marcia Sprague Hodson '63 is making the arrangements for a luncheon in Winter Park on Sunday, February 23.

By early January invitations will be mailed to all Florida alumni and friends. If you do not receive an invitation, please write or call the MCI Alumni Office, Pittsfield, ME 04967 (207) 487-5915.

Please mark your calendar now — come join MCI's headmaster, Ralph Baxter, and the alumni director, Patty Anderson. Show your school spirit!

Plan Now for Reunion '86

A reminder to all classes ending in "1" or "6": your class reunions are coming up next summer! Yes, it's been five years since the last one. It's never too early to begin planning for your big event, so get the ball rolling — the sooner, the better! Reunion '86 will be August 2 and 3, the first weekend of August.

The MCI Class of 1935 was honored at a reception held in Powell Memorial Library on August 3. Members present from the golden anniversary class included (front row, l to r.): Mrs. Alice Sinclair (FF), Evelyn Rines Dunton, and Elizabeth Reynolds Sobey; (second row, l to r.): Addie Gardner Jacobs, Joan Garcelon Young, Goldie McInnis Phillips, Mable Carvell Blair, James Vickery, and Marvin Huff; (third row, l to r.): Frederick Waldron, Hilda Bradford Lake, Wilfrid DeRaps, Iva Cianchette Cregnoles, Beulah Patterson Gallant, Leonard Merrihew, and Harry Hanson; (back row, l to r.): Herman Cowan, Herbert Leonard, James Robinson, David Libbey, and Frank Homstead. E. Robert Kinney also attended the reunion but was not present for the photo.

Maine Central Institute COMMITMENT FUND NEWS

FALL 1985

Gym Construction to Begin

On Saturday, October 12, 1985, the MCI Board of Trustees met to discuss the items on the fall agenda, the most critical issue being that of the new gymnasium. The outcome of the meeting was the trustees' overwhelming decision to immediately begin constructing the new facility and continue with fundraising efforts. Acting upon the recommendation of the Budget/Finance Committee, the Board of Trustees decided against borrowing the money needed to complete the gym.

Prior to the fall meeting of the trustees, MCI had been approved for a Farmers Home Administration loan for up to \$650,000 to use along with what had been raised to date to complete the new gym. However, the Budget/Finance Committee unanimously decided that the school should not borrow the money. The committee felt that repaying a loan of that magnitude would be a terrible financial burden to MCI for years to come. Therefore, based on the strong recommendation of the Budget/Finance Committee, the trustees decided not to borrow any money but to begin construction on the gym.

The trustees voted to use the \$382,000 already raised, an amount which, according to Alton Cianchette '48, Chairman of the Gymnasium Committee, will provide enough money to build the shell, i.e., to complete the site preparation work, foundation, walls, and roof. The contractor for the project is Bowman and Littlefield, Inc., of Hartland, the low bidders when the gym went to bid in 1983. President of the Board of Trustees, David Higgins '51, is planning on the cost of the gym to be in excess of \$800,000, possibly closer to \$900,000. Says he, "It is my hope that we can raise enough additional funds to complete the interior of the gym, and we are currently working on plans to raise about \$500,000 more to do so. In

addition, approximately \$60,000 is due in pledges by the end of next year, all of which is expected to be paid. It is up to MCI's alumni and friends as to how soon the gym will be completed — we will be asking for their financial support."

"There is no question that our school is in need of a new gymnasium," commented Headmaster Ralph Baxter. "Our present facility is in use from early morning until late at night with many teams being cheated out of valuable gym time due to scheduling problems. When used in addition to Parks Gymnasium, the new facility will allow us to develop intramural programs, provide ample practice time for all our teams, and will provide the school and community with a place large enough to seat 800 people. The new gym will be located behind the library, between the roadway and the practice field. The plans call for a 17,400 square foot structure, a 9400 square foot gym floor, two-story boys' and girls' locker rooms, a training room, rest rooms, offices, a ticket booth, and storage areas. Depending upon the weather, site preparation and foundation work may begin this fall followed by

major construction in the spring. As donations come in, the work will proceed, and the trustees hope the construction will be an incentive for additional contributions."

They Made a Commitment . . .

Since the MCI Commitment Fund was initiated in 1980, almost \$1 million has been raised. Weymouth Hall was renovated at a cost of \$379,000; some \$41,400 in dormitory renovations were completed; and \$72,400 in architect's fees for the new gym were paid. Honoring their commitment to build the gym, the trustees have made the decision to start its construction, realizing that only half of the needed funds are in hand. MCI's 6500 alumni, its parents, and its friends will be asked to make a donation so the gym can be completed. They made a commitment . . . won't you?

MCI Headmaster Ralph Baxter (right) shows MCI's proposed athletic facility to Edwards Company Personnel Manager Michael Butler (left) and Vice President of Operations Robert Brooks (center).

Edwards Company Extends Challenge

In June 1985 Robert N. Brooks, Vice-President of Operations at Edwards Company in Pittsfield, presented a check in the amount of \$13,000 to be used toward the construction of the new gym for MCI. Their generous donation was matched by Clifford and Carl Wright. In addition, Edwards Company pledged \$13,000 more as matching money towards "new" contributions received in 1986.

Beginning January 1, 1986, as soon as the new gym fund accumulates \$13,000 in new cash, Edwards Company will match that amount, bringing Edwards' total contribution to \$26,000. This matching money applies strictly to new contributions received after January 1, 1986, and does not apply to payments on pledges which were made prior to January 1.

Edwards Company, a unit of General Signal Corporation, manufactures and distributes electrical signaling and communication systems.

\$25,000 Gift from Church Goods

Last February MCI received one of its most substantial contributions to the gym fund when Church Goods Manufacturing Company, Inc., of Pittsfield, donated \$25,000 to the project. Since their gift qualified for matching through the Wright Challenge Match, twice as much money was generated from their considerable

donation. Church Goods is the manufacturing and distribution center for C.M. Almy & Son, Inc., a company known nationwide for its quality clergy apparel and church decorations.

The president of the company, Ryan Fendler, sees the need for a new athletic facility at MCI and is pleased with the

trustees' recent decision to begin building it. His son Michael, Vice-President of Manufacturing at Church Goods, attended MCI in the late sixties and has been very active as an alumnus of the school. Both Ryan and Michael are members of the MCI Board of Trustees.

Wright Challenge is Met

Due to intensified fundraising efforts on behalf of the trustees over the past year, close to \$100,000 in cash was raised, thereby successfully completing the Wright Challenge which was extended in February 1982. At that time Clifford '38 and Carl '43 Wright agreed to match all "new contributions" up to \$200,000, excluding payments toward pledges that were made prior to the announcement.

We take this opportunity to express our sincere appreciation to Clifford and Carl Wright — two extremely dedicated alumni who have devoted considerable amounts of energy, money, and time to the new gym project. Through their outstanding support, the Wrights have made it possible for MCI to build a new gymnasium. Generations for years to come can thank these two individuals for making it all possible.

Church Goods President Ryan Fendler (second from left) presents Headmaster Ralph Baxter with a \$25,000 check from his company while Clifford Wright '38 (left) and Michael Fendler '70 (right) look on. The Church Goods contribution was one of the last to qualify for matching by the Wright Challenge Match.

New Faces at MCI

Faculty and Staff

MCI is proud to announce that the following people have chosen to join the "MCI Family."

Amy Kesten is the new resource room teacher. She earned an Associate of Arts degree at Unity College in 1982 and a B.S. in Special Education at the University of Maine at Farmington in 1985.

Former Director of Guidance Eugene Smith has changed positions at MCI. He is now in charge of undergraduate admissions and development. Succeeding Eugene Smith in guidance is Stanley Harrison. For the past nine years, he was in charge of guidance at Deer-Isle Stonington High School. His degrees include a B.A. in German at Bowdoin, an Ed.M in Guidance at Harvard, and an M.A. in Russian at Cornell.

Our new history teacher and assistant wrestling coach, Keith Holland of Camden, comes to us from Belfast High School where he was involved with coaching football, wrestling, and baseball. He attended Franklin College in Indiana and graduated with a B.A. in History from Ohio State University in 1983.

Susanne Bane of Pittsfield is teaching English and coaching drama. She attended both Millikin University in Illinois and Boston University, and she received a B.A. in English at the University of Maine in Portland. Her various teaching experiences include teaching English and drama at Telstar Regional High School in Bethel from 1970-75, substitute teaching from 1975-77, and researching and history program writing for Rumford School Department for one year. She was a special education assistant at Rumford High School for two years, a reading teacher at Rumford Junior High School from 1980-83, and for the past two years she taught English in Oakland, grades 6 and 8.

Jeffrey Wickman who substituted at MCI and was an assistant coach for both postgraduate football and track last year has been hired as a full-time teacher. A 1982 Colby College graduate, he is a mathematics teacher and an assistant coach for PG. football again this year. His wife Lorri is the new Registrar at MCI. A 1984 graduate of Thomas College, she worked for Nissen Bakery this past year as a data processor.

For Your Information . . .

In order to cut printing costs, it has been decided that we will not have a large *Alumnus* magazine printed this fall, so you won't be reading any class notes, obituaries, marriages, and births until next June. The Annual Giving Report will be published once a year in the June *Alumnus*.

This edition of the *Alumnus* newsletter is larger than usual because it has been combined with a campaign report (inside section) which provides everyone with news of the progress of the capital campaign. Another *Alumnus* newsletter will be sent to you in the early spring and will probably be the usual four pages.

Postgraduate Football captains for this year are: Peter Pedro of Lynn, Mass., Brian Skafas of Haverhill, Mass., and Clinton Lawson of Otis A.F.B., Mass. At press time the Postgrads were 3-2 and had won their last three games, including a 30-0 victory over Plymouth State at Manson Park in Pittsfield.
