Hello Summer!

We are excited to have so many favorite Community Education courses available across the district and community. You'll find us at the pool, golf course, horse stables, in parks and schools; but you won't find us in our usual offices at Lincoln Community Center. During the summer, the building will be closed to complete the construction project that began last summer. The best ways to reach us continue to be by phone 507-387-5501 and email commed@isd77.org.

"Mankato Area Public Schools (MAPS) is committed to working together equitably, with families and communities, so that each learner has the knowledge and skills to be a successful and contributing citizen in a diverse global society."

We acknowledge the Indigenous history in the Mankato area, especially with the Dakota people, whose homeland was and continues to be in our region of living, working and learning; and whose language frames our name - Mahkato
