

5th Grade News

May/June Newsletter

2023

What is your child learning?

STEM

> **Math:** Students are reviewing Units 4 through Unit 8 in preparation for the EOY Benchmark Test. They will conclude the school year with Unit 7- multiplying and dividing decimals and Unit 8- algebraic thinking and coordinate planes. Students should be working on their benchmark review calendar for homework each night.

> **Science:** Students are exploring Earth and Space, gravity, and its effect on various objects. They will research constellations and moon phases.

Humanities

> **Reading:** Students will finish reading the novel *Chains* reinforcing content to the Revolutionary War lessons.

> **Social Studies:** Students will finish The Revolutionary War unit and then begin the government unit.

> **Writing:** Students will write speeches reflecting on their time at LSE.
