**Select Add a person to  
link your student(s) to  
your User Account**

**Step 5:** There are two methods for you to “Add a person” to your PARENT USER ACCOUNT:

**Option 1:** If the school has sent you a 16 digit key, then select the box that says “Yes, I have a key” to continue.

**Option 2:** If the school did not send you a 16 digit Key, select the box that says “No, I do not have a key” to continue.

Please look up your student’s **Student ID#** and **Data of Birth** to use this option.

### Account Management

Do you have a registration key?

**Yes, I have a key:** If you already have a student/any students enrolled in the school a Registration Key has been created and has been sent to you already. Select this option and enter the Registration Key. The system will automatically create your Family (household) Account and connect student Member Profiles.

**No, I do not have a key:** Take me to more options for finding or creating an account.

+ Connect to your account

No, I do not have a key  
+ Continue without key

Select this option to add a Person to your User Account

**Step 6:** On this is the page, enter the Student ID# and Birth date for your student. Select “Link Family” once you have entered this information. If you have more than 1 student, the system **will try** to link all your students at the same time. If the system is unable to link you to all of your students you will need to repeat this step for each student in your household.
