

# Lehigh Area High School

Mr. Doug Bowman, LAHS Physics and Science Olympiad teacher & coach, was recognized last weekend for being an outstanding ambassador for PA Science Olympiad. He serves by being a judge in his spare time at other state competitions. He received the Richard Smith Heart Award at the state level. His recognition letter stated he is a tremendous asset as an State Event Supervisor for Tower, Boomilever, and Bridge. He travels around the state to run his event, often doing both divisions with efficiency.

A huge shout out to our drama club for an amazing performance this past weekend : BYE BYE BIRDIE; thank you to Mrs. Zimmerman, all our student actors. Stage crew, Mr. Kotch and volunteers.

Last weekend, our high school and elementary students helped to pick up the Pocono's – this has been an on-going volunteer project organized by LAHS teacher Jennifer Shoer and elementary teacher Suzie Cordes. The project was featured on TV 13: <https://twitter.com/BRCNews13/status/1651191051489538049?s=20>

On Tuesday April 25, Mr. Bond and Mr. Shea took students to Triangle Tech to learn more about opportunities in trade areas. Our students had a great time. This was a two part trip– last week they visited Universal Technical Institute.

On Tuesday April 26 and Wednesday 26 Judge Joseph Matika and Franklin Township Police Chief Jason Doll along with Detective Roberts spoke to our health and wellness classes organized by Mrs. Hartney. <https://www.tnonline.com/20230427/lehigh-ton-students-learn-dangers-of-drugs/>

Congratulations to the baseball team on their 14-2 win over Pottsville in five innings on Wednesday, April 26! With the win, it clinches a District XI playoff spot!

Wednesday April 26 the US Air Force set up a table outside our cafeteria discussing various options and opportunities for our students: <https://twitter.com/LehighAreaHighSc/status/1651261976150941696?s=20>

The Varsity Tennis team qualified as the 4 seed and will host Salisbury on May 1st at Valley Royale Tennis Club in the first round of the AA Team Championship. Complete bracket can be found here - <https://districtxi.com/spring/tennis-b>

The Carbon County Fair is looking for candidates who may be interested in competing to be the Carbon County Fair Queen for 2023. Students must be between the age of 16-20 and potential scholarship money is available. Applications can be picked up in our guidance office

LASD will be working with Carbon County Workforce and will be offering students ages 14-24 summer employment. If you are interested, they can pick up an application in our guidance office or main office.

Mr. Sports and Mrs. Howland attended the Colonial League Academic All- Star program on Wednesday April 26, held at the Green Pond Country Club in Bethlehem, PA. Our students will be included next year since we recently joined the league.

On Wednesday, April 26 we recognized in the building our administrative assistants: Mrs. Armbruster, Mrs. Hunsicker and Mrs. Watts; each of them received a flower pot, gift cards and warm wishes for all they do to make LAHS successful.

On Wednesday, April 26 our raptor system was fixed by our technology department, so all visitors may now go through the raptor system again. The system has been done for about two months.

The high school elevator was fixed and repaired as it was out of use for several days last week.

AP testing will begin next week at LAHS, extending over a two week period leading up to Keystone testing in Biology, Literature and Algebra 1.

Congratulations to our future College Scholars. Placement test results have come back and everyone did well. We are now ready to move onto the next step, which is to schedule classes for the fall. Brandon Kwiatek, from LCCC, will be coming to LAHS on Friday May 12th at 9a.m. to work with students on creating their fall schedule. Parents are invited to attend, however, if they are unable to do so, they will be able continue the scheduling process independently.

They have to start considering how/where they will take their classes.

LCCC classes offered at LAHS will be: (Many College Scholars take classes at LAHS for the first semester)

Research & Composition

College Algebra

Intro to Sociology

Intro to Media Communication

Western Civilization

They can also consider taking classes at an LCCC campus if they have transportation or through virtual options: remote (zooming) or on-line (no live instruction...students work independently on assignments posted on canvas)

All information and pictures are posted on Twitter- @LehighAreaHighSc, @LASDathletics and @lehighareatribe on instagram — follow us for up to date information!
