

# LEHIGHTON AREA MIDDLE SCHOOL

The Middle School Spring Club Session is in full swing. The spring club session offers an opportunity for students to explore a different club than they had in the fall. Several of the clubs were able to enjoy the beautiful spring weather that we have been having. Below are photos of the Red Cross Emergency Services Club, Aavidum Club, Go Green Club, Recess Club, Games Club and Flag Football Club. Our students look forward to Club Days, they get to explore and enjoy an activity that they are interested in. As well, our staff enjoy sharing their passion and knowledge of various activities with students outside of the academic setting.
