

Lehighton Area School District

LASD Community,

I hope that the few additional days you have off next week help to re-energize you for the remainder of our school year. As I have said in previous messages, please take time to reach out to family, friends and neighbors. Just as important, please take some time to take care of yourself. We have many challenges that drain our energies so it's important to take the time for yourself as well. It's Spring! Enjoy the outdoors! Also, please keep the school family in Nashville in your thoughts and prayers as they begin the arduous journey of healing.

In addition to next week being Easter/Spring Break, it is also Assistant Principal's Week, Tuesday is National School Librarian Day and Wednesday is Paraprofessional Appreciation Day. Please take some time to thank these individuals for all of their hard work.

I hope this time brings you peace and joy! I look forward to seeing you all, upon our return to school, re-energized and prepared to finish out the 22-23 school year with a positive energy.

**Take care,
Dr. Fish**
