

The background of the image features a wooden desk with several items. On the left, there is a black water dispenser with a clear plastic water bottle in front of it. To the right, a clipboard with a silver clip holds a white sheet of paper with the text 'Emergency Preparedness' printed on it. Below the clipboard, a white first aid kit is visible, with red text that includes 'ety Fir' and 'ST AID SU' and 'AY SAFETY'.

## Leighton Area Middle School

On Wednesday, April 5th, the middle school planned and participated in a full intruder evacuation drill. This included a complete reunification away from the middle school building. Carbon County Emergency Management was on hand to evaluate the drill. Officers from the Leighton Area School District Police Department, Leighton Police Department and Leighton Fire Police were present to observe and assist as needed.
