

LEHIGHTON AREA MIDDLE SCHOOL

Big congratulations to the 8 ACE team for battling back from their first and only loss on Monday morning to walk away with the championship Wednesday night. The loss to Panther Valley on the first day put them in the losers bracket, but this determined group defeated Palmerton, Northern Lehigh, and Jim Thorpe to fight their way back to the finals last night. After defeating Northwestern Lehigh, they had to face Panther Valley once again in this double elimination tournament. They were successful both times to hand Panther Valley the two consecutive losses to give them the championship. Congratulations again to Corbin Kline, Bella Moyer, Adam Danner, Jed Cordes, Henry DeVore, Victoria Nied, Ava Trach, and Nolan Strauss, on this impressive victory! Thank you to Mrs. Kokinda for advising and for preparing these students for the competition. We are all very proud of all of you!
