

Every year March seems to be the longest month of the year, but here at LAMS our Life Skills Class has a tradition that allows staff members to have a little fun. The Life Skills Class hosts a snowball fight between their class and staff members. The snowballs are marshmallows so no one has to worry about getting wet. Staff members stop by the Life Skills Class when they have a couple of free minutes and for a minute or two they throw marshmallows at each other and laugh a lot. It is a great stress reliever at the end of every winter.
