

Lehigh Area High School

Second semester classes began on Monday January 23

Monday 1/23/23 Michelle Nutter with the Attorney General's Office was in to hold a school wide assembly on Vaping education. She will return on March 13 to hold an assembly on the risk of drug and alcohol dependencies. A 3 part series was planned since the beginning of the year.

Aavidum is running our blood drive through Miller Keystone planned for Feb 8, however it will now close at 2:00 pm due to lack of volunteers for Miller- Keystone.

Mrs. Howland spoke with Carbon County Assistant DA Beck, LAHS alum, to work on organizing an assembly with students regarding laws, rules, searches and consequences when age 18. More information will be coming when finalized.

Tuesday 1/24/23- LAHS SWPBIS team worked with CLIU #21 on the school wide plan, reestablish guidelines, rules, behavior matrix and lessons for full implementation Fall 2024. This was the third training of a four part series this school year.

Mr. Gurkha, data coordinator, collected and reviewed CDT testing results with high school math, ELA and Science teachers. There has been significant growth which will be reported in the quarterly reports ATSI plan, located in PDE suite by Mrs. Howland.

A hallway parade was held for the cheerleaders as a send to state competition. More hallway parades will be incorporated this spring.

Mrs. Howland held a phone conference with Richard Merluzzi, LAHS alum and PSU alum regarding his scholarship fund at PSU for LAHS students on 1/25/23. As well he will be our top 10% speaker this year which is planned for Monday May 15, 2023 to accommodate his busy travel schedule . He recently stepped down as CEO of Metal Exchange Corporation, to the title of Executive Vice Chairman and sits on both the engineering and business boards at PSU. We are also working on a project with the PSU engineering department and our high school- pilot program in its developmental stages. Initial conversations occurred on Wednesday.

Senior class members are selling beef sticks as a fundraiser, make sure to purchase some off a class of 2023 members.

Scholarship packets will be handed out to the members of the Class of 2023 on Friday 2/10 during enrichment. Emails and announcements to students have gone out. They must be present to pick up packets and can not pick up earlier- there are strict guidelines which will be reviewed at the meeting. Students sign off that they have received packets.

Monday 1/23 we held the signing for senior Katie Wojton to attend Susquehanna University- She will major in accounting, and be a member of the River Hawks' track and field team:
