

Lehighton Area School District

LASD Community, This is a reminder that Monday, January 16, will be a snow make-up day. We will be doing this as a FID day. Staff and students will be working remotely.

Buildings will be closed during the day to all staff and students in order to give the cleaning staff the opportunity to do a deep clean in each building. Friday, January 20, will be an early dismissal as LASD will be hosting the Coal Cracker Wrestling Invitational. The High School will dismiss at 12:20, the Middle School will dismiss at 12:25, and the Elementary Center will dismiss at 1:05. Please plan accordingly.
