

Leighton Area Elementary Center

1. Pre-K Counts held a "Math Night" on January 10. Both students and parents participated in math focused games in the EC cafeteria. The children played with math manipulative games that focused on gross motor skills. There were also interactive craft projects that were completed and taken home. A great night was had by all.
2. The PTO meeting held this month focused on the "Race for Brilliance". This is the main fundraiser held by our PTO for all students in our school. The money received goes towards providing field trips for all students K-5. The race will be held in May 2023.
3. Floyd Koehler, custodian grades 3-5, will be retiring. His last day in the district is 1/17/23. We wish Mr. Koehler a happy retirement!
4. Pastor Mike Coulson from the People's EC Church donated 89 boxes of tissues to the elementary center. Pastor Coulson and his wife have 3 kids at the EC. We appreciate their kindness and thinking of our students and staff during the winter season!
