

LEHIGHTON AREA MIDDLE SCHOOL

On Friday, November 11th, the Middle School ran a compressed schedule, so that a Veterans Day Program could be held. During the program students learned the importance of Veterans Day and the importance of honoring our veterans.

Lilly Andreas, 8th grade, sang the National Anthem.

The Leighton United Veterans Organization were our honored guests.

The Student Advisory Council, Middle School students and staff raised \$1,031.00 for Tales of Valor, Paws of Honor, an organization that trains dogs to help veterans who suffer from post traumatic stress. Ash and Meyers were welcomed into our school by both staff and students.
