

Lehigh Area Middle School

On Friday, November 4th, the current 8th grade student who voluntarily completed the summer reading program were treated to a pizza party provided by the Student Advisory Council. These students voted for their reward and chose to watch a movie in the auditorium.

On Wednesday, November 9, 2022, the middle school staff held parent teacher conferences. Teachers provided in person, virtual or telephone conferences based upon parent request and availability. The overall results were both positive and appreciative.

Friday, November 11th, was an extremely busy day even after the school day ended. The Student Advisory Council held a dodge ball tournament after school to raise funds to support the many activities that they sponsor throughout the school year. This was a popular event this year with students joining teams, attending to cheer on their classmates and with parents who wanted to watch the fun too.
