

Lehigh Area High School

September is Suicide Awareness month and our Aevium club sponsored wear YELLOW to support those in need or who have been affected. They also handed out yellow beaded necklaces and face painted yellow ribbons on students' faces in the lobby/cafe on Friday 9/30.

CCTI presented to our 9th grade students an informative session on their programming and technical options on Wednesday 9/28 during enrichment.

Mr. Bond is engraving the math departments calculators with the Laser engraver purchased last spring. (video is live on Twitter)

Our first college/trade fair of the year was held on Thursday, September 29 during enrichment. Some of the college advisors present were from Moravian University, Susquehanna college, East Stroudsburg University , Northampton Community College and King's College. More fairs will be occurring throughout the school year providing our students the opportunity to learn about future opportunities.

Volleyball held their annual Match for Meaning game to benefit Carbon County Animal Shelter. The band, cheerleaders and our mascot were there as we took on Jim Thorpe.

Boys soccer clinched a District playoff spot this week.

Our guidance office is running SAT's for our students and all other students from various school districts on Saturday 10/1, we are the only school locally to host every SAT providing opportunities throughout the Carbon, Lehigh and Monroe area. Students attend from all over eastern PA and NJ.

High school administration held their first monthly meeting with new teachers and mentors as part of their mentoring initiative. Topics discussed were our Vector training, mandated reporting, SAP, SAS portal and an open Q/A.

The high school is working to bring back their SW-PBIS team, a group attended a training through CLIU #21 at their Route 248 location for their initial development meeting with a team from Panther Valley High school on 9/29. Collaboration between the two schools was great.
