

the LAMS Life Skills Class military donation project collected \$255 from the district-wide dress down and donations. Our class spent \$165.15 purchasing items from the donation list. The shipping came to \$170.85 total. So, we used the remaining \$93.85 for shipping. The balance of \$77.00 for shipping was donated from our LAMS Life Skills Cafe.

Thanks again to everyone who dressed down, donated, and/or supported our LAMS Cafe. You all helped make this project possible!
