

Leighton Area Middle School

Recently the Middle School Student Advisory Council, under the direction of Mr. Eck, the Emergency Services/Red Cross Club, and Mr. Ebbert, held a dance to raise funds for the Red Cross Ukrainian Relief. The Student Advisory Council has a long tradition of raising funds for charities and teaches the importance of giving. The Red Cross has a long standing relationship with the Leighton School District and surrounding communities.

On Thursday Sherry Nealon, Executive Director of the NEPA Chapter of the American Red Cross accepted a donation from the dance in excess of \$1,034.00.

We are proud of the accomplishments and community involvement of our students!
