

CAREER

LAHS Updates...

Carbon Career & Technical Institute

Any 9th or 10th grade student interested in applying to Carbon Career and Technical Institute (CCTI) should complete their application by Monday, February 28th. They are due no later than that date to the LAHS guidance office. Applications can be found in the guidance office or in your student email inbox.

LASD Student Job Opportunities

The Lehigh Area School District currently has a number of cleaning/custodial positions available within the school district. If there are any students interested in this opportunity they can submit a letter of interest to Kyle Spotts. A resume and complete working papers will be needed. Hours are generally 4 ½ a day Monday-Friday.
