

LAMS Updates...

The LAMS PTO had a very successful Gertrude Hawk fundraiser. This is typically their biggest fundraiser of the year.

Our JOY AROUND THE WORLD tree, which displays flags from all countries, was set up this week by Student Council members. We would like to thank Yenser's Tree Farm for donating this years' tree, and also Mrs. Baker for purchasing the decorations.

We also have some very creative art students who painted the windows at the main student entrance. Please check out our Twitter page for images @LAMSLeighton

Also, Mrs. Watts and her art class created amazing snowflakes which are displayed throughout the office and cafeteria area.

The Middle School is grateful for PTO and parents for supporting our students, and for allowing them to participate in getting our school ready for the holidays.
