

Lehigh Area Middle School

This week the students at the Middle School showed their support for National Bullying Prevention Month by wearing blue on Wednesday, October 6, 2021 to Support Stomp Out Bullying.

Each grade level received an individualized program while being socially distanced in the auditorium.

The presentations were presented by Michelle Nutter, Education and Outreach Program Manager from the PA Office of Attorney General Office of Public Engagement. It provided our students with the opportunity to learn more about bullying and digital citizenship. Topics covered included bullying, cyber bullying, dangers online, and our "digital footprint".

The Safe2Say program was also reviewed and how helpful it has been to help students who need assistance with mental health issues, bullying and self harm.
