

Monday, June 28, 2021:

Today was a successful fun and adventurous day! We had 45 elementary students in attendance at the EC. The campers arrived with star balloons lining the drop off line to kick off Stars and Stripes Week! Staff and campers were decked out in red white and blue to go with the theme.

Campers were served breakfast and lunch and participated in ice breaker activities associated with academics. The gym was filled with giggles and laughter! The children loved decorating the sidewalks with chalk and playing outside with peers.

This week we will practice measuring liquids while making homemade red white and blue popsicles. Goldrush treasure hunt, games, and student favorite games are a few things on our agenda.

We look forward to sharing more updates with you and we are working on our camp Twitter page.

Tuesday, June 29, 2021:

Red, white and blue craft after they learned about independence day and our flag. Necklace made with paper straws and pony beads.

Kids are loving the games with Mr. Ellis and Mr. Snyder and the energy they bring! Meals have gone well with the Nutrition Group. Mr. Sebelin and the grounds crew have been a big help with use of the EC. Off to a great start and working to keep the momentum going.

We have been utilizing the Remind App to communicate with parents. Example "Water Wednesday" and turning in Emergency Contact information. Posting on Twitter - Academics & Adventures LASD -Mrs. Quinn @LAMSSummercamp

Mrs. Kenny, Mrs. Andrew and Mrs. Zehner have been working hard to register MS students recommended by staff. Lots of work to still be done but we are working well as a team and having a great time with our students.

Thursday, July 1, 2021:

K-5 registration total 50 students

Students made red and blue popsicles and learned about measurements and practiced pouring.

The students loved the games that were purchased!

K-2 played Zingo (sight word game), Sight Word Bingo and Headbands.

3-5 played Boggle, Yahtzee, Math -24 game

Academically they learned about Independence Day, the history of our flag and the meaning of the Stars and Stripes. Base line assessments were taken and are kept in portfolio folders each student individually decorated.

Tickets have been earned for the final week "Carnival" for attendance, behavior and participation.

Still registering MS students for their first week July 12th and the Elementary students are excited to come back for "Camping Week"

Thank you for the opportunity to keep our students engaged and to grow over this camp adventure!

Rachel Quinn and Kali Andrew
