

Lehigh Area School District

Teacher & Staff Appreciation Week

The two words "Thank you" are a common expression of gratitude that is shared on a daily basis. As I am writing this note as a THANK YOU for all you have done, it means so much more with everything all of you have endured since March of 2020. Not only in your professional responsibilities, but also in your personal ones, as well.

This past year, all of you have been educating in the most challenging environment that anyone could have ever imagined. However, by working together, we were able to continue to meet the needs of our students and provide our students with the opportunities they deserve. All of you are to be commended for what you have done, and continue to do, for the best interest of our kids and the entire Lehigh Educational Community.

As we move forward, I want to send all of you my words of gratitude for what you do for our District.

THANK YOU,

THANK YOU,

THANK YOU!!!! - Mr. Jonathan J. Cleaver
