

2021 – 2022 School Year KINDERGARTEN REGISTRATION & ASSESSMENT
for LASD's current Pre-K students:

**Registration and Assessment for our current LASD Pre-K students
will occur in April/May 2021**

- Children who are eligible for Kindergarten according to Lehighon Area School District's Policy #201 (please see website) will be registered/assessed.
- Since your child is currently enrolled in our pre-K program, we have most of the necessary documents on file. You will be notified if we need additional clarification.
- You ***do not*** need to re-register your child, online. That process is only for students new to the district.
- Kindergarten Registration documents will be sent home with your child, for your signature.
