

# Lehigh Area School District

We are continuing to share information with the District employees regarding available COVID vaccine clinics.

LVHN still has about 300 appointments left for the mass vaccination drive-through event held at Dorney Park in Allentown, Pa. for tomorrow, Saturday, April 10th. If interested, please act fast as this location tends to fill up more quickly than our other clinics.

There will be more LVHN drive-through events added in the coming weeks.

Individuals in Pennsylvania's Phase 1A and 1B, including educators and staff, are eligible to be vaccinated. To schedule an appointment at any LVHN vaccination location, sign in to [MyLVHN](#) or call 833-584-6283 (833-LVHN-CVD). However, because of large demand and call volume, you may be on hold. The COVID-19 Vaccine Hotline hours of operation are Monday-Friday 8:30 a.m.-5:30 p.m. and Saturday-Sunday 9 a.m.-5 p.m. [MyLVHN](#) is your fastest and easiest way to schedule.

For current vaccination information, visit [LVHN.org/vaccines](https://www.lvhn.org/vaccines).
