

Lehigh Area Elementary Center

"It is with great pleasure and honor that I've been asked by the Christmas Spirit Foundation Board of Trustees to award the Lehigh Area School District with a 2021 Trees for Troops Spirit Award. Your award is one of four nation-wide awards being given this year.

The Lehigh Area School District has been selected based on continued support given to the Trees for Troops program. Students and staff of the LASD have given 445 trees to military families in just the past three years and your participation in Trees for Troops spans more than a decade.

The Board of Trustees appreciates and values your tree donations, creative fundraising efforts, and participation in yearly Trees for Troops programs. Attached you will find a description of the Trees for Troops Spirit Award.

Later this spring I would like to formally present the award during a school board meeting. There will be a piece of art commemorating your award for each of the three schools in the district. Also, later this spring, someone from the Christmas Spirit Foundation will contact you for an interview via email/phone and then write an article for publication the Christmas tree industry magazines and any other publications that would like to include it.

Congratulations and most importantly, thank you for sharing Christmas spirit!"

Sincerely,
Jan Wentz
Yenser's Tree Farm
