

Lehigh Area High School

Our Juniors and Seniors participated in the our annual Lehigh Rotary Essay Contest. They informed us how it has been inspiring reading all of the Lehigh Area High School students' ideas on how to care for our ever-evolving home – Planet Earth.

The Lehigh Rotary is proud to announce the top three winners for our 2021 Essay Contest:

- 1st Place – Joshua Faenza
- 2nd Place – Jonathan Macsay
- 3rd Place – Jenna Gasker

Joshua's essay has been forwarded to Rotary District 7410 for consideration in their Essay Contest.

The Club will be awarding prizes to our top three winners. Great job to everyone who participated and impressed our local Rotary Club!
