Attendance Excellence Incentive Program

We are excited to announce a new program that will be awarding your hard work and dedication to your academic studies. We are beginning an Attendance Excellence Incentive Program. Each week, any student who has perfect attendance (attend all 5 days) from the previous week will be entered into a raffle. We will pick 2 students from each grade each week to win a prize. Eligible students include our LAVA students, Canvas students, 1/2 day CCTI students, 5 day virtual students and hybrid students. Mrs. Howland will announce our weekly winners via the intercom and Twitter! GOOD LUCK!
