

Lehighton Area Elementary Center

All students have been notified of the three (3) bus stops available to all students K-5 beginning on January 19, 2021, via the following: If your child would benefit from one of these three bus stops, please contact Karen Shaffer at our school to enroll your child on the bus roster. Please contact the school as soon as possible to secure a spot on the bus. If you are already getting picked up at one of these stops in the morning, you still need to let our office know that your child plans to also use this stop in the afternoon. All three stops will have drop off times of 2:40 pm. This means that buses 17, 15, and 11 will now have 25 minute later drop off times in the afternoon to help accommodate the new bus stops. We are taking numerous calls at the EC from interested parents.
