We were able to have a holiday tree donated this year, once again, from *Yenser's Tree Farm*. The tree is outside of Rachel Watt's room and it is decorated thanks to *Julia Smith* and *Anna Howland* of the Student Advisory Council.

A special thanks to *Yenser's Tree Farm*, and to *Karen Shaffer and her family*, for delivering the tree to the Middle School. I know it has been a very unique and busy year, but do not forget to try and take some time to enjoy the little things, especially during this time of the year.
