Dear Elementary Families,

The U.S. Secretary of Agriculture announced that they were extending a program which allows Free Breakfast and Lunches to be provided to school students on the weekends as well as weekdays. This Friday, November 20th, all students in the Elementary School will be bringing home two breakfasts, two lunches and a quart of milk. These meals will be distributed at the end of the day.

We are starting this program in the Elementary Center, but we will be distributing meals in the Middle School and the High School in December.

Thank You,

David Kubisek
