

# Everyone Eats for **Free!**

All kids under 18 years old.

11/12/20

Dear Lehighton Area School District Families,

Earlier this fall, U.S. Secretary of Agriculture announced that they were extending a program which allows Free Breakfast and Lunches to be provided to school students through the end of the school year, or until funding runs out, at which time statuses will return to Paid, Free and Reduced rates based on qualifications and applications so please return free and reduced meal applications as soon as possible to avoid any gap in benefits.

The Lehighton Area School District is offering a FREE breakfast and Free lunch to each student for every school day. We will also be offering meals for students to take home and enjoy on days when they are distance learning. We will provide a full breakfast and lunch that students can pick up at the end of their lunch period if they will not be in the building the following day – all free of charge! We are also offering free breakfasts and lunches to all virtual students, which may be picked up in front of the Elementary Center on Mondays from 3:15 to 4:15. We encourage all families to take advantage of this great program.

We remain committed to providing students access to healthy, nutritious and wholesome meals while assuring the utmost food safety without compromising quality. Please feel free to contact me if there are any questions.

Regards,

David Kubisek
