Athletic Committee Meeting Agenda
August 8, 2017
7:30 AM
Administrative Building

Present: Steve Holland, Wayne Wentz, Gloria Bowman, Kyle Spotts

● **Old News**

- Signage - Building and Grounds?
- Decided to kick this to building and grounds to look into updating the signage on campus. This has been discussed at past building and grounds meeting as well.

● **Head Coaching Update**

- All Head Coaches have been hired for next season. Will look to finalize Spring Assistant Coaches in the next month or so.

● **Bowling**

- Mr. Steigerwalt - Cypress Lanes, was present for the beginning of our meeting to discuss the position on a proposal to establish a bowling program. We spoke at length and let him know our concerns being that there are no schools in District XI that offer Bowling. The closest schools are Hamburg, Berwick and Hazleton. Travel cost would be extremely high and likely hood of getting competitions would be very low. Mr. Steigerwalt then asked if we could look into establishing a Bowling Club. Mr. Spotts will send him the paperwork to complete to start process of club application.

● **Meet the Tribe Night - August 22nd at 6:30pm**

- Mrs. Bowman mentioned that the class of 65' will be unveiling their donated new mascot uniform.

● **Varsity Events -**

- All varsity events will be played in the Stadium. JV Soccer and Field Hockey will also be played on turf as much as possible. Other events will most likely be played

on Grass unless accommodations can be made to play on turf. Varsity gets priority at all times.

- Additional Overflow parking area.

- Mr. Spotts proposed opening additional parking next to the student lot above the Middle School Soccer Field. He will meet with Todd Weaver to create a gravel entrance to that area. We will also rope off area to prevent parking on sprinkler area across from stadium.

- LEAF Request - See Email.

- Mike Everett sent Mr. Spotts an email with a number of inquiries from LEAF and Leighton Alumni. Committee addressed some of the inquiries, but Mr. Spotts will need to follow up with Mr. Feick and possibly Mr. Schwab on others.

- Facility Use Request - See Requests

- Reviewed and discussed two facility requests from individuals. Mr. Spotts will follow up with each and submit proposals for approval at August board meeting.

- Other?

- N/A
